EGN INDIA

EDUCATION GROWTH NETWORK

About Education Growth Network

The Education Growth Network (EGN) is a network of educators and solution providers that aims to bridge the gap between industry stakeholders. EGN creates opportunities for educators to support one another by sharing best practices, offering training, advice, and fostering collaborations.

Industry suppliers listed on the EGN platform provide solutions for all levels of education, from Montessori to research institutions. EGN brings these suppliers together under one roof, providing multiple options for educators to adopt the best solutions for their institutions.

EGN recognizes and celebrates the exceptional work of educators, felicitating their efforts in bringing the best education practices to the industry. Additionally, the platform strengthens solution providers by providing them with a platform to reach different parts of India. Overall, EGN brings the education industry together and contributes to the growth of the Indian education sector.
